### District Financial Obligations

#### The 'Ministerial Financial Plan' in our District Constitution states:

- 1. Pastors are to pay 100% of ministerial tithes and 50% of secular tithes to the district.**
- 2. Non-pastoring ministers are to pay 100% of ministerial tithes plus \$20.00 per month to the district.**
- 3. Each minister who is not active in the ministry but continues to hold license while being a member of a Local Church may make an arrangement by mutual consent with his/her pastor, to pay the District assessment from the tithe paid to the Local Church.*
- 4. A Home Missions pastor, engaged in secular work shall pay his tithe on such income to the District. Should a need arise in the church he pastors, a sum equivalent to that paid to the District by the pastor could be channelled back to the church.*
- 5. In order to avoid any misuse of the arrangement that allows a pastor to request a donation from the District equal to the amount of tithes he/she has paid into the District treasury for use in his/her church; when the request is made for funds, the District Superintendent, the District Secretary/Treasurer and the Presbyter of the Section in which the church is located, shall examine the request and authorize the granting of whatever amount they deem appropriate at the time.*
- 6. The District Treasurer shall be authorized to notify any minister that he/she is delinquent if they should become more than three months in arrears with their tithes or assessment. Should they fail to respond to such notice with a remittance or satisfactory explanation, they shall be referred to the District Board for review and action as the Board shall recommend.**
